

Open Welding

Open welding is limited to competent journeyman welders. The purpose is to provide an opportunity for welders to practice their welding skills prior to being referred out as a welder.

Please call the training center a minimum of one day prior to the scheduled Open Welding Session and indicate if you want to attend the afternoon session (12:00 noon to 4:00 pm) or the evening session (4:00 pm to 8:00 pm). The slots are filled on a first come, first served basis. Participants are limited to one session per day.
